Democrats to Fill Offices With Members of Their Own Party—Officers of Council Gagnon—Death of Miss Bertha Fuller—Eagles' New Year's Eve Ball—Instructor Leaves Trade School

The incoming council, which is democratic in majority, and which will be organized next Monday evening, will sweep appointive offices clear of republicans and fill their places with democrats, it was learned here Friday. It is understood that this programme was agreed upon at a recent conference of the democratic members of the incoming council. The democratic members elect are not giving out any particulars of their programme, nor do they care to be quoted for publication, but unless the programme as now agreed upon is changed before Monday night, there is going to be a cleaning out of republican office holders such as Putnam has not seen since it has been a city.

Among those slated to go are City Clerk Frederick W. Seward, Captain John Murray, Sergeant Patrick Hayes and possibly all of the other members of the police force that do active duty with the exception of Jules Cordier, this applying to republicans. There will be a democratic prosecuting officer in the city court. Superintendent of Streets Frederick Dumas, a democrat who has held office under the republicans for a number of years, is to be retained, it is said.

The slate as made up by the democrats is kept closely guarded. It is understood, however, that Alderman-elect Ryan is a candidate for chief of police. There are also other candidates representative of the Providence street section of the city, it is said.
